

Eric Mintel, Piano

Eric Mintel has played the piano all his life. Career highlights include two performances by invitation at the White House, several concerts at the Kennedy Center and a special concert at the United Nations. Eric was a featured guest on Marian McPartland's award winning program Piano Jazz on NPR and his music is regularly played on XM and Sirius radio. Jazz legend Dave Brubeck has said "As long as the music attracts dedicated young musicians like Eric Mintel, jazz will continue to thrive and progress as a voice of freedom". Eric Mintel continues to thrill audiences of all ages and continues to connect with people all over the world.

Jack Hegyi bass

Jack Hegyi's career as a bassist on both electric and upright has taken him all over the world and included a 30 year career in the Atlantic City music scene. Jack has played alongside the likes of Steve Lawrence and Eydie Gorme, Don Rickles and many other greats of the entertainment world. His contagious joyous energy is felt throughout the concerts when he hits the stage with the Eric Mintel Quartet.
